GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Water Resources Department- Permission to draw the water from Anacoderu channel to Sri Vishnu Educational Society, Bhimavaram to a tune of 1,90,000 gallons per day (0.353 cusecs) from left bank of Anacoderu channel during the canal running period- Orders- Issued.

- - - -

7. The applicant should make its own arrangements for summer storage during summer period.
8. The Water Resources Department is no way responsible for non supply of water due to any reasons.
9. The entire cost of construction of pump house, pipe line etc., should be borne by the Institute only.
10. The Institution must strengthen the channel margin on either side of the proposed pump house/ off take point to avoid erosion of bank and to protect the existing channel margins as directed by the Department.
11. The Department is in no way responsible for any dispute that may occur to the off take point and pump house during floods.
12. This Department is not responsible for any dispute that arises with neighbor institutions and public and any legal matters.
13. The Institution should not create any objection to the raising and widening or any development and maintenance works on Anacoderu Channel bank at the said chainage and they have to relocate the pump/off take point, if necessary, with their own cost.
14. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
15. Water can be spared only after meeting the demands of drinking water and agricultural water demand.
16. The storage tank should be constructed sufficient to store the requirements for non supply period for water drawl from canal.
17. The point of drawl should be as fixed by the Department.
18. The institution holds no right over the water permitted to draw. Priority will be given to drinking & irrigation needs.
19. The concerned Executive Engineer will be responsible for enforcing the conditions.
20. The applicant should abide by any other conditions laid by the Department at later date.
21. The designs must be approved by the Chief Engineer, CDO.
22. The rates would be as per industrial usage.

3. The Engineer-in-Chief (Irr), Water Resources Department, Vijayawada shall take necessary action accordingly.
